The [Coalition for Healthy School Food](#) is a growing network of over [180 non-profit member organizations](#) from [every province and territory](#). We are advocating for public investment in and federal standards for a universal cost-shared school food program that would see all children having daily access to healthy food at school. Building on existing programs across the country, all schools will eventually serve a healthy meal or snack at little or no cost to students. These programs will include food education and serve culturally appropriate, local, sustainable food to the fullest extent possible. See our [guiding principles](#) for what our ideal school food program looks like!

About the Great Big Crunch

The [Great Big Crunch](#) is an original initiative from [FoodShare Toronto](#), started in 2008, and it has grown into a Canada-wide event that demonstrates anti-silence in support of a universal school food program by crunching together at the same time in an apple (or other crunchy fruit or vegetable). Many fun activities can be organized around this event to celebrate healthy food at school and an activity toolkit is created each year for teachers and parents. To date, more than 1 million participants have joined in for the Great Big Crunch! The Coalition for Healthy School Food hosted last year's first ever Canada-wide virtual Great Big Crunch. We are proud to bring the Great Big Crunch 2022 to communities across Canada with the incredible support of our members, staff, interns and participants.

This year, there is a theme of unity and resilience. With a Unity Tree mural and activities that explore community and togetherness, the Coalition hopes to inspire students, teachers and their communities to celebrate the Crunch and promote a Canada-wide healthy school food program. Special thanks to Nina Leone Trask, Nicole Weber, Paulina Bialek for the content and Isabelle Trask for her visual graphics for this toolkit.

How to Use the Social Media Toolkit:

This Social Media Toolkit has been provided for your use during the Great Big Crunch! We would love to see and hear from our participants this March, so our team has put together this toolkit to make sharing your event on social media an easy experience. Feel free to use the following templates for slogans, messages and posts on social media, and join us in amplifying The Great Big Crunch for a healthy school food program across Canada!

Feel free to fill out this [evaluation form](#) to let us know if the toolkit has been useful to you so that we can create better toolkits in the future.

Invite your school

Dear [school/school board],

The Great Big Crunch is back this year! I/ [organization] would like to invite the [school/school board] to participate in the [Great Big Crunch](#) (GBC), an event founded by [FoodShare](#) and coordinated by the [Coalition for Healthy School Food](#) to raise awareness of the importance of healthy food at school. The GBC is a national movement and annual moment of anti-silence in which students, teachers, parents and others passionate about food crunch into apples (or other crunchy fruit or vegetable) to make noise for healthy school food. The theme of this year's GBC is a tree, to signify unity & resilience.

How can you participate in the Great Big Crunch?

Register your crunch(es) [here](#) so we can count all the crunches across Canada!

1. Crunch with your classroom using our activity toolkit

Our toolkit provides fun, curriculum-linked lesson plans and activities to bring the Crunch to life for children of all ages at home or safely in the classroom. You can do these anytime during March to show your support and celebrate healthy food at school.

Download the [certificate of participation](#) that you can print out for your students.

2. Crunch with your whole school!

In past schools have organized a variety of activities outside or in the school to crunch all together and MAKE NOISE for healthy school food! You can ask your local community food center, local market, or food organization to support you in finding local apples.

3. Virtual Canada-wide crunch:

On Thursday, March 10, 2022 at 1 - 1:30 pm EST, join the Coalition for Healthy School Food for a virtual, Canada-wide Great Big Crunch as we make noise to highlight the need for a school food program across Canada! From 1:15 EST we'll have special activities aimed for kids in your classroom to have fun with us and at 1:25 we'll all take a simultaneous and LOUD CRUNCH across Canada.

Registration link [here](#).

4. Share your crunches on social media to make noise for healthy school food. You can take a photo/video of your crunch and share it on social media using #GreatBigCrunch.

We hope you join us to celebrate #HealthySchoolFood!

Sincerely,
[name]
